

Release of FTP Information to Client or Third-Party Waiver and release of Liability

Last updated: 5-9-09

By signing this waiver, I, _____, of company, _____, authorize Innersync Studio to provide FTP credentials and access to my web site hosted on Innersync Studio servers ONLY to the individuals I list below.

Name _____ Company _____

Name _____ Company _____

Name _____ Company _____

Name _____ Company _____

Please be aware that Innersync Studio has performed a quality check and thorough QA of your web site and in our effort to protect your investment, we do not release FTP credentials to anyone unless a client specifically requests it.

It is the client's responsibility (listed above) to make certain the individual(s) they list above have a good knowledge of web design and programming before granting them access to their web site.

If Innersync is required to remedy bad design or programming, we consider it billable web site maintenance and will be added on to the clients monthly hosting invoice. By signing this release, you agree to these terms.
